### NOTES FOR REFEREES

*Please note that we only consider academic references.*

With applications to the BSA courses greatly exceeding the number of places available, we increasingly rely on the candidate's reference letter.

Referees are asked to make notice of the following:

- details on the student's academic ability, including grade scores,
- relevance of the student's current and future research to the topic of Byzantine Art and Archaeology,
- any departmental or university funding awards to which the student might be eligible to apply.

Please email your reference, or any questions you might have about the course, to [assistant.director@bsa.ac.uk](mailto:assistant.director@bsa.ac.uk)
