

VIRTUAL COURSE FOR SCHOOL TEACHERS

'MYTH AND RELIGION'

The British School at Athens is delighted to invite UK school teachers to attend a **free virtual CPD course**, focusing on the OCR GCSE Classical Civilisation module '**Myth and Religion**'. The course is intended both for those **who already teach the new GCSE** (or similar specifications), and also for those **who have never taught the subject before**.

Participants will follow a series of **four virtual lectures**, introducing the main themes of the module and providing **case studies beyond the GCSE syllabus**. By the end of the course, **participants will have a sound working knowledge of myth and religion in Ancient Greece, helping them to teach this material to students with confidence**.
